

Chinese Enterprises Association in Brunei carries out donation for the impoverished Malay families in Temburong

On 30th April, when Eid al-Fitras approaching, the Chinese Enterprise Association in Brunei went to Temburong and carried out donation to 15 impoverished Malay families in 8 villages. Chinese Enterprises Association in Brunei purchased the necessities needs by the impoverished Malay families as living materials and Raya gifts. On the day of donation, a number of members actively participated, a total of more than 20 member representatives were departed from Bank of China Brunei Branch to the remote Temburong district.

For the competency of communication smoothly, every group has members who are capable to communicate fluently in Malay language with all the donated villagers in Malay language. This donation relieved the financial burden of impoverished Malay families who received donations during Hari Raya, and conveyed to the Temburong community the image of Bank of China that actively fulfill social responsibilities and selfless dedication.
